

REFERRAL INFORMATION FOR THE YOUTH MENTAL HEALTH PROGRAM

Thank you for your enquiry regarding a referral to the Youth Mental Health Program (YMHP) which comprises three specialist mental health services: YouthLink, YouthReach South and Youth Axis.

PLEASE NOTE:

The Youth Mental Health Program is unable to provide an urgent response to unknown clients. Please be aware that waitlist times vary and consider if the Young Person being referred will require short-term intervention while awaiting service with Youth Mental Health Program. To discuss waitlist times, please contact the YMHP Triage Officer on 1300 562 369 Monday to Friday, 8.30am to 4.30pm.

YOUTHLINK AND YOUTHREACH SOUTH

YouthLink and YouthReach South are specialist youth mental health services providing Tier 4 mental health services to young people with serious mental health problems or at significant risk of developing serious mental health problems. Tier 4 is defined as a highly specialised treatment program for complex, severe or persistent problems.

Both services target marginalised young people aged 13 to 24 years, who are homeless or experiencing other significant barriers in accessing mainstream mental health services. Such barriers typically include transience, limited support networks, cultural barriers including Aboriginal or Torres Strait Islander identity, marginalisation due to diverse sexuality and gender, and previous negative treatment experiences.

YOUTH AXIS

Youth Axis provides an early intervention service for young people presenting with ultra-high risk of psychosis and/or features of an emotionally unstable personality disorder. Youth Axis targets young people who have not had extensive treatment by a specialist mental health service for these presenting problems, and will see people for up to 6 months. The following criteria must be met to be eligible for service:

1. The young person is residing in stable accommodation in the Perth Metropolitan area.
2. 16 to 24 years old.
3. Help accepting.
4. Early intervention.

And one or both of the following:

1. Ultra-high risk of psychosis. Unusual and out of character thoughts and /or behaviour.
2. Features of an emotionally unstable personality disorder:
 - suicidal ideation and/or self-harming
 - risk taking / impulsivity
 - emotional instability
 - impaired sense of self
 - impairment in interpersonal functioning
 - separation insecurity: fears of abandonment by significant others

Exclusion Criteria:

- Continual psychotic symptoms for more than 7 days;
- Needs are better met by another service.

YOUTH MENTAL HEALTH PROGRAM (YMHP) – ELECTRONIC REFERRAL FORM

YMHP community services consist of three services: YouthLink, YouthReach South and Youth Axis. YouthLink and YouthReach South provide services to young people 13-24 years with mental health issues who experience significant barriers in accessing mental health care, including homelessness. Youth Axis provides time limited focused care for young people from 16-24 years at ultra-high risk of psychosis or emerging emotionally unstable personality disorder – borderline type. This referral form will assist in streaming the young person to the service that will best fit their needs.
